## **INDEPENDENT AUDITORS' REPORT**

**To: The Board of Directors of Ekphatthana Deposit Taking Microfinance Institution Co.,Ltd**

### ***Opinion***

We have audited the accompanying financial statements of Ekphatthana Deposit Taking Microfinance Institution Co.,Ltd (“EMI”), which comprise the statement of financial position as at 31 December 2023, the income statement, statement of cash flows and statement of changes in owner’s equity, and a summary of significant accounting policies and other explanatory notes, as set out on pages 9 to 24.

In our opinion, the financial statements of EMI as at 31 December 2023 and cash flows are prepared, in all material respects, in accordance with the Lao Accounting System for Deposit Taking Microfinance Institution and with other relevant financial and accounting regulations stipulated by Bank of the Lao PDR.

### ***Basis for Opinion***

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants’ Code of Ethics for Professional Accountants (IESBA Code) and the ethical requirements that are relevant to our audit of the financial statements in Lao PDR, and we have fulfilled our other ethical responsibilities in accordance these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Emphasis of Matter – Basis of Accounting and Restriction on Use***

We draw attention to Note 2 to the financial statements, which describes the accounting policies adopted by the EMI. These accounting policies are not intended to present the financial position, the results of operations and cash flows of the EMI in accordance with international generally accepted accounting principles.

### ***EMI Board of Directors’ Responsibility for the Financial Statements***

EMI board of directors is responsible for the preparation and presentation of the financial statements in accordance with the Accounting Law of Lao PDR and with the regulations stipulated by Bank of the Lao PDR relevant to preparation and presentation of financial statements, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, board of directors is responsible for assessing the EMI’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless board of directors either intends to liquidate the EMI or to cease operations, or has no realistic alternative but to do so.

### ***Auditors’ Responsibility***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- ▶ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

We communicate with management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
